

#### **SITUATIONS VACANT**

**We are sorry to report that we have a problem with regards to calculating the results for future evening Autotests. Karen Chambers returned to the roll this year but unfortunately a change to her working hours has meant that she cannot arrive at the venue in time to calculate the results for us. Bruce Jenkins has very kindly stepped in and dealt with recent results but this is only a temporary arrangement.**

**We therefore desperately need a volunteer or volunteers to take on this role for the rest of the evening Autotests and without someone the events are in danger, as obviously without a results team future events cannot be held. Would anyone who thinks they may be able to assist or can give us details of someone who might be able to help please contact;-**

**Mike Jordan - [michaelkjordan@btinternet.com](mailto:michaelkjordan@btinternet.com)**

**Bruce Jenkins - [bajenkins@btinternet.com](mailto:bajenkins@btinternet.com)**

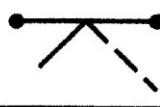

**Andy Jenner - [Andrew@jenner44.wanadoo.co.uk](mailto:Andrew@jenner44.wanadoo.co.uk)**

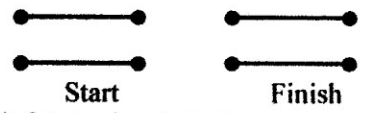

**Don't worry if you have no experience as certainly for the first few events someone will be with you to explain how it all works.**
